

Product Improvement

New Adapter/Guard Set

BC/BP 114-428 Series Centrifugal Pump.

Features:

- designed with easy maintenance in mind
- increased work area
- easy seal inspection and assembly
- easy adapter bolt installation
- effortless guard removal and installation
- safer cageless guard design
- Adapter/Guard set interchangeable with other C-Series centrifugal pumps

New adapter/guard sets will begin shipping end of May 2017 on certain BC/BP models. All BC/BP models will ship with new adapter/guard sets beginning August 2017.
